Joyful Unity: Harmony Reigns as Saint Johners Embrace Scripture Month

Students from all levels came together to share love and gratitude through sacred texts, creating a heartwarming tapestry of faith. They covered the song 'Forever Love, Forever God,' sharing the uplifting video on YouTube and Instagram.

The celebration included a Bible Quiz Bee, Gospel reading competition, and creative activities like bookmark making and coloring. This simple yet profound gathering reflects the school's commitment to nurturing both academic and spiritual growth.

Triple Impact: One Month, Three Events Unite for Hunger Relief and World Peace

Saint John's Primary School successfully celebrated three impactful events in harmony with the Archdiocese of Jakarta's initiatives.

On October 16, 2023, the school observed World Food Day (WFD), where parents generously provided healthy meals for their children, emphasizing the importance of nutrition. As part of the Archdiocese's program, themed 'Solidaritas Pangan Sehat untuk Generasi Bebas Stunting,' students actively participated by contributing funds, collected in envelopes and submitted to homeroom teachers, to support those in need.

Another noteworthy event took place on October 26, 2023, as Saint John's Primary School marked the Rosary Celebration and UN-Day. The day commenced with heartfelt Rosary prayers in Bahasa Indonesia, English, and Mandarin at the basketball court, fostering a sense of unity. A UN Flag raising ceremony added a patriotic touch to the celebration at the Primary Playground. The SHS hall buzzed with excitement during a captivating Fashion Show competition featuring the theme 'International Costume.' Additionally, the unique 'Statue Comes to Life' event, showcasing selected students, brought a dynamic and engaging element to the festivities.

These successful events not only strengthened the sense of community within the school but also contributed to the broader vision outlined by the Archdiocese of Jakarta. Saint John's Primary School remains committed to providing a holistic education that encompasses cultural awareness, spiritual practices, and social responsibility. The accomplishments of these events reflect the school's dedication to enriching the educational experience for its students while upholding the values set forth by the Archdiocese of Jakarta.

Selfless Acts of Kindness Positively Impact Community Outreach

In a remarkable act of compassion and charity on December 12, 2023, a donation of Rp. 49,350,000, coupled with essential supplies, has made a lasting impact on our community. This generous contribution has allowed us to extend vital support to Panti Jompo Yayasan Usaha Mulia Jaya in Bojong Sari, Depok, a nursing home, and Yayasan Bhakti Luhur in Gunung Sindur, an orphanage. The initiative also provided assistance to our dedicated security guards, helpers, saubers, janitors, gardeners, and maintenance staff. Beyond meeting immediate needs, this initiative has brought smiles and improved the well-being of those under our care.

This selfless gesture stands as a powerful example of the transformative effects that compassion and charity can bring. The impact goes beyond mere material assistance, fostering a sense of community and shared humanity.

We extend our heartfelt gratitude with a resounding THANK YOU! As Mother Teresa wisely noted, 'It's not how much we give, but how much

love we put into giving.' This initiative, as part of the Primary Department Community Outreach Program, embraced the spirit of Christmas by sharing gifts and blessings, not only within the Saint John community but also reaching other beneficiaries. The support given by everyone has truly made a meaningful difference in the lives of many during this season of giving.

Gender Awareness: Special Encounter on Respecting Our Bodies

On November 28, 2023, the Primary Department organized a talk for all Primary students about understanding and respecting our bodies. The students were split into groups, and each group had a speaker.

The speakers included Mr. Laurensius Mahardika and Mr. Agustinus Pramudiyah for lower level boys, Ms. Charity Jane Aguilar for lower level girls, and Sr. Bernadette Yuni Mardiyah for upper level girls. They talked about the differences between boys and girls, focusing on how to take care of our private parts and the importance of boundaries.

The session encouraged students to discuss self-care, protection, and the value of looking out for themselves. This event shows Saint John's dedication to teaching important life lessons in a caring and simple way, helping students grow up with respect and understanding.

Dino Island Wows Students at School

The Primary students and teachers witnessed a roar of excitement as Dino Island brought the enchanting world of dinosaurs to life, allowing everyone to get up close and personal with these prehistoric giants.

Laughter and surprised sounds filled the air as students played with the realistic dinosaurs. Experts from Dino Island helped the curious minds, answering questions and telling interesting facts about each dinosaur's special traits.

That day was not like a usual day; our kids weren't just reading from books – they were actually there, up close with amazing creatures that once roamed the Earth. The air was filled with curiosity and happiness as students approached the dinosaurs with wide eyes and lots of excitement.

At Saint John Primary- BSD campus, learning gets fun! Dino day showed us that touching the past is an exciting way to learn.

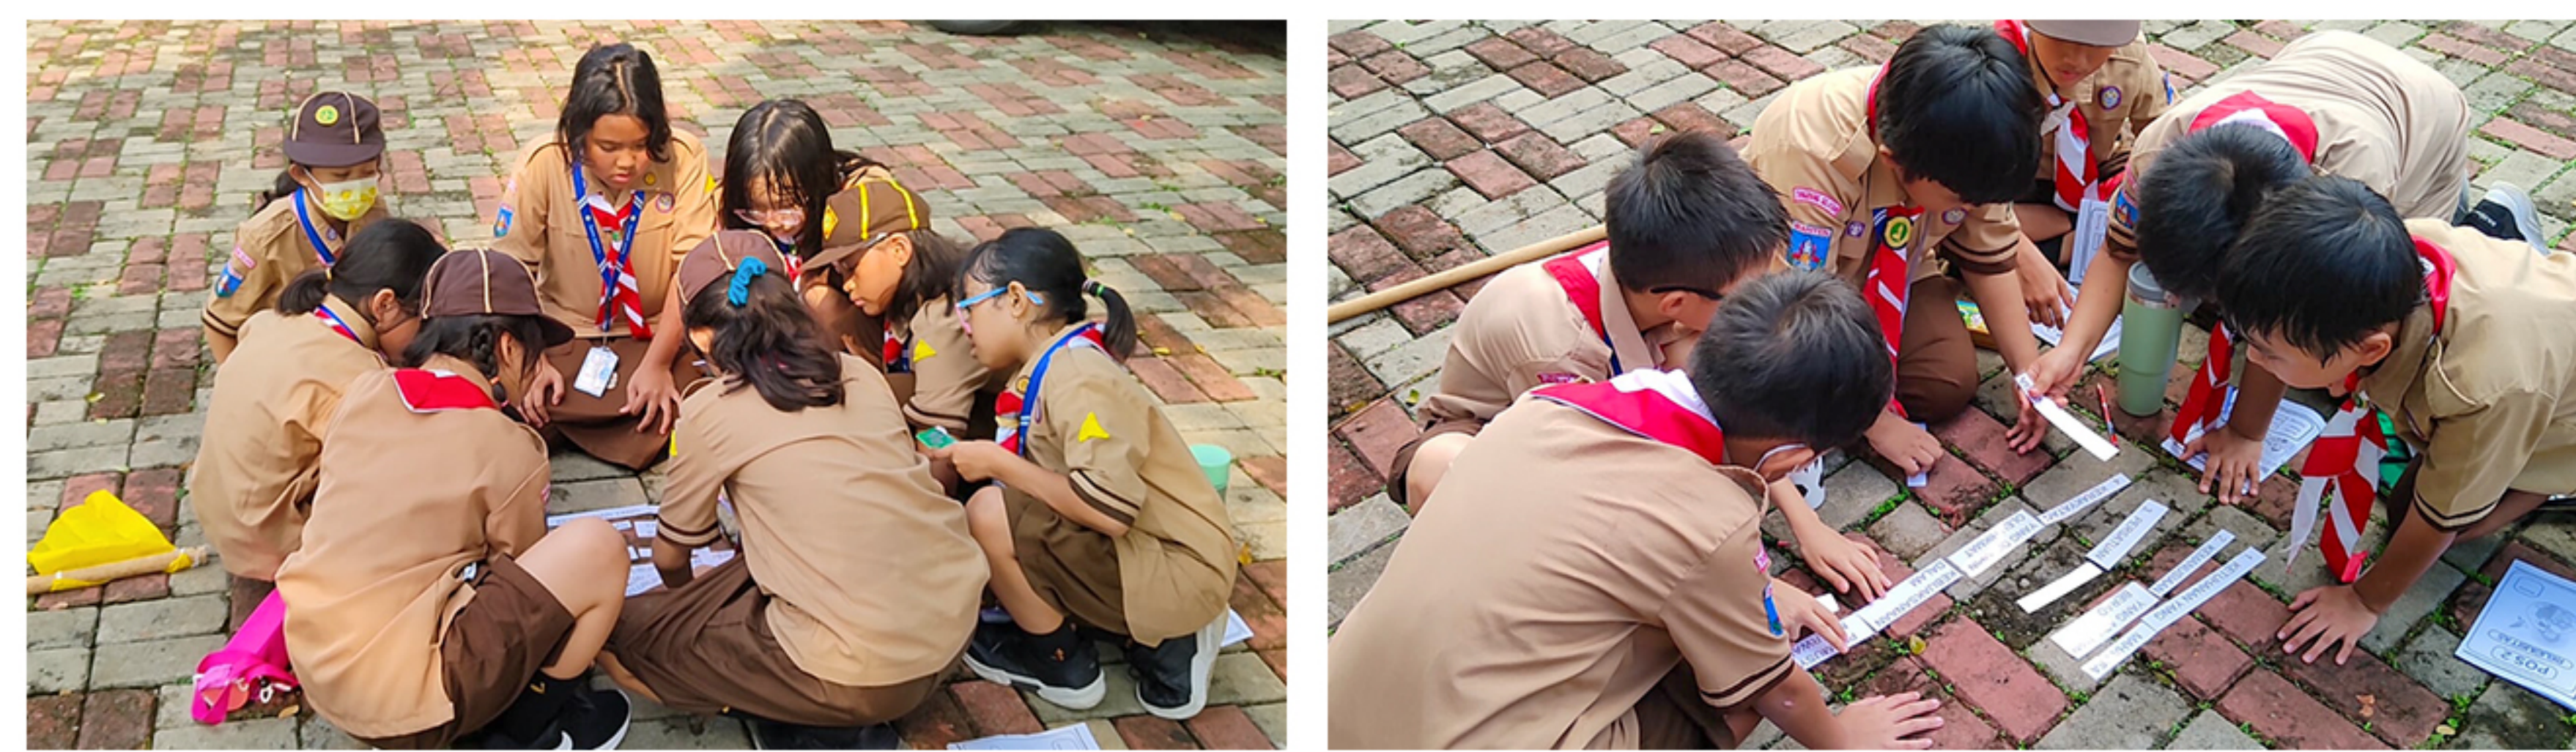

Beyond Classroom Walls: P4 Students Embrace Fun Learning Experience

Saint John Catholic School Primary BSD Campus fourth-graders had an unforgettable day at Tandon Ciater on December 8, 2023. Themed "Berani, Mandiri, Cerdas, dan Berkarakter" (Bravery, Independence, Smartness, and Character), the event was a mix of fun and learning.

From thrilling outdoor activities testing their bravery to workshops on independence and leadership, the kids embraced the challenges. Smart sessions sharpened their thinking skills, and character discussions focused on honesty and kindness.

The day concluded with a cheerful celebration, applauding the kids for their accomplishments. The Scout Working Team, led by the Pramuka Coordinator Mr. Stefanus Brian Prana Sattva Putranto, was amazed to see the kids enjoying themselves and acquiring essential life skills.

Primary Department Awesome Day: Exercise and Fun Walk

On December 11, 2023, Saint John Primary had an awesome day! Mr. Benvenuti Amarul Fathan, our PE teacher, had us moving to fun music for the morning exercise, and after that, some of us walked to Granada, while others went to Taman Jajan. It felt like a big, happy party for our bodies! It is true that when our bodies feel good, our minds do as well.

The most fun part was laughing and spending time with our friends. Everyone felt really good, and it just goes to show that exercising can be a blast, especially when you're doing it with friends and teachers. Let's do it again soon!
